Nov 5, 2026

To Our Valued Customers,

To follow up on my last note,

Ancast Industries Ltd. will be shutting down for two weeks during Christmas and New Year. There will be no pouring or mold making from Dec 19th to Jan 3th. Shipping will be open Dec 29th & 30th.

Our current lead time is 3 weeks. Orders have been weaker than forecasted going into the holiday so we will continue to accept orders due to ship before January until Nov 23rd. If that changes again we will let you know.

Kind Regards,

Jeff Herdman,
Vice President
Ancast Industries Ltd.
