Dear Valued Customers,

Ancast Industries Ltd. will be shutting down for three weeks from June 27th to July 19th to facilitate major maintenance projects. Shipping will continue during this time.

We ask that you place orders needed in July as early as possible despite our current lead time of 3-4 weeks. Lead times will increase in the weeks leading into June as we work to build up inventory due during shutdown.

Please feel free to visit [our website](#) for current lead times and cut-off dates.

Sincerely,

Jeff Herdman
